

Consumer Protection Notice

CN 1-2

Texas law requires all real estate license holders to give the following notice to prospective buyers, tenants, sellers, and landlords in the course of their business.

The Texas Real Estate Commission (TREC) regulates real estate brokers and sales agents, real estate inspectors, home warranty companies, easement and right-of-way agents, and timeshare interest providers. You can find more information and file complaints against license holders at www.trec.texas.gov.

TREC administers the Real Estate Recovery Trust Account, which may reimburse aggrieved persons who suffer actual damages caused by a real estate license holder's violation of the Texas Real Estate License Act, if certain requirements are met. Complaints and additional information about the Recovery Trust Account are available on the TREC website.
